SUBJECT: Project SAFE

1. When you met with the DCI's Science and Technology Advisory Panel last September, you invited STAP to continue following Project SAFE. As a follow-up, STAP sent you a package of their papers on SAFE for your background reading. I would be very interested in your reaction to those papers on SAFE and to receive any further guidance now that you have read them.

2. I would be happy to meet with you at your convenience to discuss these items. If that is acceptable, have someone in your office contact [REDACTED] in the STAP Secretariat [REDACTED] to set up a meeting; or, you can call me directly on [REDACTED]. I would like to bring [REDACTED] STAP's computer specialist, along if he is available.
